The policy of Ebensberger Fisher Funeral Home, Inc. requires that **all fees for services purchased be paid in full or secured at least 24 hours before services are rendered. A late charge of 5% per month amounting to 25% per year will be applied to the unpaid balance beginning 2 days after services are rendered.** Payment in full via cash, check, credit card, or proceeds from one or more life insurance policies can be used to secure payment to the funeral home. No automobile accident insurance or government life insurance policies will be accepted in lieu of payment, as they are most always contestable or non-assignable.

The goods and services shown below are those we can provide to our customers. You may choose only those items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically

ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.
